

Great Canadian weddings

MARLO ESKOW ELLIOTT WEISS

For their June wedding, Marlo and Elliott chose one of the most scenic spots in Alberta—rustic yet elegant Jasper Park Lodge. With the sun shining and Lac Beauvert and the Alberta Rockies providing a glorious backdrop, the couple exchanged vows before family and friends. After the ceremony, their nephews and nieces gathered around Elliott for some whimsical bubble-blowing. A pathway lined with candles led the couple into the ballroom, where a profusion of hydrangeas brought the outdoors inside. After dinner, guests were treated to the lively rhythms of a calypso band, a perfect send-off for Marlo and Elliott, who were heading to the Caribbean for their honeymoon. [BARBARA PHILPS] ▶
